## Criterion – VII

### Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the Institution. Give details.

- Sensitizing, the students about old age problems.
- Social responsibility of each one teach two programme
- Awareness about food adulteration
- Civic awareness programme

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

As per the plan of action of the Institution at the beginning of academic year 2016-17 various activities have been organized successfully.

- **Gender Sensitization:** On 01-10-2016 on the occasion of World Elders' Day, the department of Psychology visited 'Sneha Sadana', at Keshwapur Hubli and presented small entertainment programme for the inmates apart from distributing biscuits and old clothes. They interacted with the inmates and became aware of the old age problems.
- **Social Responsibility:** On 23-02-2017 a practical demonstration on adulteration in food was conducted by the department of zoology and chemistry and Shree Ramachandra Mone from Gadag was the resource person.
- **Each one Teach Two:** The students from the Dept. of Political Science voluntarily initiated teaching illiterates to read and write during their leisure time.
- **Civic Awareness Programme:** Each student of Dept of Political Science took up the responsibility each student creating awareness among five of their neighbours related to the objectives of the Indian Constitution, rights and duties of the citizens of India.

7.3 Give two Best Practices of the Institution (*please see the format in the NAAC Self-study Manuals*)

#### Best Practices:

##### 1. Gender Sensitization and Strengthening of Ethical Values.

**Goal:** To develop egalitarian attitude among the students towards gender issues and to enhance the status of women.

**Context:** As the number of female students as well as the women teachers are increasing, the institution felt the need to sensitize the students towards gender issues. Apart from this, there is an alarming rate of women harassments in the society. Hence there is dire need to empower the women students regarding their rights, health, opportunities and challenges.

**Practice:**

- Health awareness programme was arranged by the Women Empowerment Cell for the benefit of lady students on 27-08-2016. Dr. Mamata C Patil, Moon Maternity Hospital, Hubballi, spoke on very relevant and useful topic, “Challenges during Menstrual cycle and Polycystic Ovarian Problems”.
- An interactive session on “Youth ethical issues and their impact on Society” was arranged on 18/1/2017. Mr. Abhishek Jacob (UK) from RESCUE Team, New Dehli was the resource person who discussed in detail about the alarming rate of misuse of mobiles, increase in pornography addiction and enlightened the students on means and ways of conquering these addictions.
- On 19/1/2017 a talk on “Role of women in the 21<sup>st</sup> century” by Mrs. Leeladevi Prasad, Ex Minister of Karnataka State was organized. She called upon the youth to develop an egalitarian attitude towards women as they have been playing a significant role in all areas of life.
- On 8/3/2017 Dr. Prajnya Mattikatti, Associate Professor, Govt. First Grade College, Dharwad was invited to speak on “Women Empowerment” through employment, cultural pursuits and the best utilization of government facilities available for women.
- Apart from these, ‘Gender Sensitization’ is also taught and discussed in detail for the III semester students of Psychology in the chapter “Application of Social Psychology” on 25-10-2016.

**Evidence of Success:** The practice has led to the increase in the admission rate of girl students.

The student feedback has highlighted that the campus is more secure for ladies and there are no complaints. Another interesting evidence is that majority of the female students came forward to shoulder the responsibilities of College Union.

**2. Empowerment through Alumni**

**Goal:** To uplift socio-economically weaker and meritorious students.

**Context:** Our institution caters to the students from low socio-economic background, and most of the students are the first generation undergraduates. Hence the deserving meritorious students need to be financially helped to continue their education without any constraints. So the Alumni Association of our Institution has come forward to empower the weaker students.

**Practice and Evidence of success:**

- i) Six meritorious and deserving students were empowered through financial assistance.
- ii) Two of the girl students were the beneficiaries of the ‘Earn while you Learn’ scheme of the Alumni Association (Rs.2, 292/- was earned by them).
- iii) A financial assistance of Rs. 20, 000/- was distributed by the Alumni amongst the 06 poor students.
- iv) Two Solar Lights worth Rs 32,000/- have been installed by the Alumni Association.
- v) The rank holder and the gold medallist (Mr. Harshagowda Patil and Miss Aishwarya Appannavar of BA respectively), were also felicitated by the Alumni Association during their annual Alumni meet on 21-04-2017

Apart from the above mentioned financial assistance, few of the alumni have inspired and guided the students regarding employment opportunities and internship available in their Institutions/ Industries.

Environmental awareness was created through the following ways:

- Celebration of Vanamahotsava, Ozone Day (16.09.2016), Wild Life Week (01.10.2016 to 04.10.2016), Swachha Bharat and Swastha Bharat Abhiyan (11.11.2016)
- A short movie on 'Conservation of Bio-diversity' was produced and presented by the students of Department of Botany at Kirloskar Vasundra International film festival held at Dharwad.
- A special lecture was arranged on 'Ethical Bio-technology on 04-03-2017 and Mr Raghavendra Suryavamshi, Director Biosolutions, Goa was a resource person.
- On 08-09-2016 a one day workshop was organised by the department of Botany on 'Awareness of medicinal plants and their utility' and Shree B S Bhavikatti was the resource person.
- A survey on Biogas was conducted by the Department of Chemistry at Tirlapur village, Dharwad on 05-03-2017.
- The Department of Chemistry also offered an add-on course on Soil Analysis for the 34 BSc first semester students.
- A field work to APMC, Amargol Hubli was organised by the Department of Geography in relation to Agricultural Geography to study the yield of common agricultural crops
- Taxonomy study tour to Poornanand Estate, Karwar and a visit to Prakruti Products at Ankola was conducted by the Departments of Botany and Chemistry respectively.
- The Department of Zoology also contributed for environmental awareness and protection by conducting a visit to 'Lion Safari' at Tavarekoppa, Shimoga Dist and Bird Watch at Unkal lake Hubballi
