Principal

## About the Society

The Historic Feat of 13th November, 1916 changed the course of history when “Seven Dedicated Teachers or Saptharishis” viz. Shri. S.S. Basavanal, Shri. M.R. Sakhare, Shri. H.F. Kattimani, Shri. P. R. Chikodi, Shri. B. B. Mamdapur, Shri. B. S. Hanchinal, Shri. V. V. Patil, founded Karnatak Lingayat Education (K.L.E.) Society in Belagavi. Our collaborations with famous Universities worldwide have added a new dimension to our legacy as we aspire to bring a global perspective to the field of education. Our institutes spread across the country exemplify our efforts to bring the best to make KLE a global destination for Health Care and Education.

Dr. Prabhakar B. Kore, Chairman, KLE Society, with his indomitable spirit and youthfulness, initiated a great transformation in the making of a new KLE by catapulting the institutions of KLE from 38 to 293 & also laid a road map of promising education for the next generation. Our Chairman with his rare vision has redefined and redesigned KLE society for the 21st century and as an accomplished educationist lead the KLE society relentlessly along the path envisioned by the founding ‘Saptarishis’.

## About the Institute

Shri Kadasiddheshwar Arts College and its Science wing, H. S. Kotambri Science Institute was established by the premier KLE Society, Belagavi, in the year 1952 and 1966 respectively at a strategic place in Hubballi, Karnataka. The Institute is accredited by NAAC with ‘A’ Grade for 3 consecutive Cycles and with ‘A+’ in 4<sup>th</sup> Cycle with focus on quality sustenance. Our UG and PG students being guided by experienced faculty have proved their merit by winning Gold Medals, University Ranks & University Blues. We are proud of Alumni as they have carved a niche in society by holding key positions across the globe. The College has the credit of being a participating institute of UBA MHRD, Govt. of India; SWAYAM- NPTEL Local Chapter. Spoken Tutorial- IIT Bombay, MHRD, Govt. of India; Institution’s Innovation Council, MHRD Initiative; Energy Swaraj Foundation, IIT Bombay; Nodal Centre for Virtual Lab under NITK Suratkal. The Institute’s Students Support Services serve as the backbone for all the student initiatives.

## About Hubballi

Hubli, usually referred to as Hubballi (meaning flowering creeper) by the natives, is an agglomerating city in Karnataka, India. It is the capital of North Karnataka. One of the main cities in the state, Hubli is also the fastest growing city here, next only to Bangalore. The city is commercially strong. Though Hubli is a big city in itself, its name is often associated with Dharwad, which is located at a distance of 20 km from the place. Together the two are called Hubli-Dharwad and are known to be the second-largest conurbation in Karnataka in terms of area as well as population.

Hubli is also a multicultural land. People of different religions live in harmony in this city. Hubli witnesses Hindus, Christians, Sikhs, Jains and Muslims celebrating their festivals with enthusiasm and excitement and making the city culturally rich.

## About the Seminar

The National Assessment and Accreditation Council (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognised institutions to derive an understanding of the ‘Quality Status’ of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial wellbeing and student services.

NEP 2020 rolled out successfully in India and NAAC is striving hard to ensure the success of NEP through various strategies.

The Vision of NEP-2020 is rooted in the Indian Ethos that contributes to the transformation of India, sustainably into an equitable and vibrant knowledge society by providing high quality education to all, thereby making India a global knowledge super power. It is crystal clear that both NAAC and NEP are thriving for excellence through quality mandate and sustenance. Hence, it’s time to shift from normal education to skill-oriented education with the innovative methods of teaching & learning. In this context, the functional IQAC has been continuously initiating various programs to enhance and sustain the quality in the Institute. The present national seminar focuses on quality mandate which is invariably a challenge for all the educational institutions.

Let us utilize this platform to discuss, share, help each other to tackle the problem which is the dire need of the hour.

## Objectives of the Seminar

To make the stakeholders sensitive to quality education in line with Re-Imagining Assessment and Accreditation in Higher Education.

## Eligibility

This program is open to UG, PG students, Research scholars, Faculty and Industry personnel.

## Call for Abstracts

**“Participatory Process in NAAC-A Binary Accreditation System as per New Education Policy (NEP)”**, National Seminar welcomes abstracts from scholars, faculties, and students which is scheduled on 11<sup>th</sup> February 2023.
